What is BurlingtonEnglish?

BurlingtonEnglish es un método dirigido a Ciclos Formativos de Grado Medio y Superior que ofrece a profesores y alumnos una amplia gama de recursos online accesibles desde cualquier dispositivo. Descubre nuestra variedad de materiales e itinerarios formativos.

COURSES FOR EVERY NEED

Burlington presenta una amplia gama de cursos que, combinándolos (inglés general y específico), ofrece el contenido perfecto para ciclos formativos.

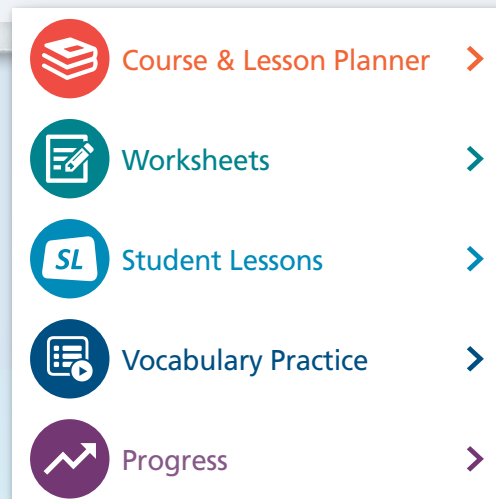

- Base de inglés general (A1-B2)
- 12 familias profesionales con más de 100 cursos para elegir según el ciclo formativo.
- Desarrollo de las 4 destrezas lingüísticas
- Práctica específica de pronunciación
- Actividades descargables para el aula
- Notas y sugerencias de actividades para el docente

DATA-DRIVEN INSTRUCTION

Los detallados informes de evaluación te permitirán evaluar y medir el progreso de tus alumnos para personalizar su formación.

- LMS: Sistema de seguimiento para evaluación continua
- Monitorización del uso grupal e individual
- Visualización y descarga de informes de progreso de tus alumnos para cada lección y destreza

FULLY BLENDED CURRICULUM

Burlington ofrece un completo método totalmente digital con todo lo que necesitas en un solo lugar.

Combina el material del alumno (Student Lessons), que también puedes proyectar en el aula, con el material descargable para el docente (Lesson Planner & Worksheets). Dirige a tus alumnos al Vocabulary Practice para ampliar contenido y mucho más.

COMPLETELY WEB-BASED, ACCESSIBLE ON ALL DEVICES!

Todos nuestros cursos se encuentran ya en una plataforma totalmente web, disponible para cualquier formato y dispositivo, ya sean móviles, tablets o Chromebooks. Podréis acceder desde cualquier lugar, ya sea desde el aula, el laboratorio de idiomas, desde casa o en cualquier trayecto.

- Práctica de vocabulario accesible a través del Vocabulary Practice
- Traducciones, ejemplos prácticos de oraciones y expresiones útiles
- SpeechTrainer para la práctica individual de la pronunciación
- Obtención de feedback correctivo por palabra y en diálogos

English for Specific Careers

English for Specific Careers ofrece un amplio programa de contenido que abarca Soft Skills, Courses y Wordlists for Specific Careers donde encontrar el contenido perfecto para los Ciclos de Grado Medio y Superior de entre 12 familias profesionales.

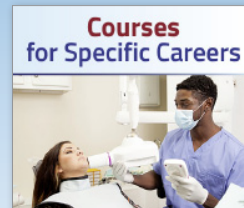

Soft Skills for Specific Careers

Estos cursos introductorios trabajan las 4 destrezas del idioma con un claro enfoque en el vocabulario específico. Funciones como las de preparar una entrevista de trabajo o comunicarse con compañeros, responsables y clientes se encuentran presentes durante todo el contenido. Esta serie de cursos inicia al alumno/a en áreas profesionales como las de Administrative Assistants, Retail Salespeople o Childcare Workers, entre muchas más.

18 Soft Skills Courses

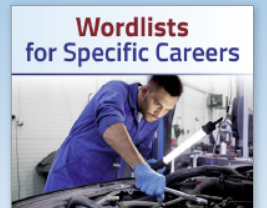

Courses for Specific Careers

Si buscas un material con un contenido exhaustivo dirigido a un ámbito profesional concreto, estos cursos ofrecen todo lo necesario. Encontrarás títulos como Hospitality, Engineering, Finance, Nursing y muchos más. Están diseñados para trabajar el inglés necesario para desarrollarse en el ámbito laboral y ganar la confianza necesaria para comunicarse.

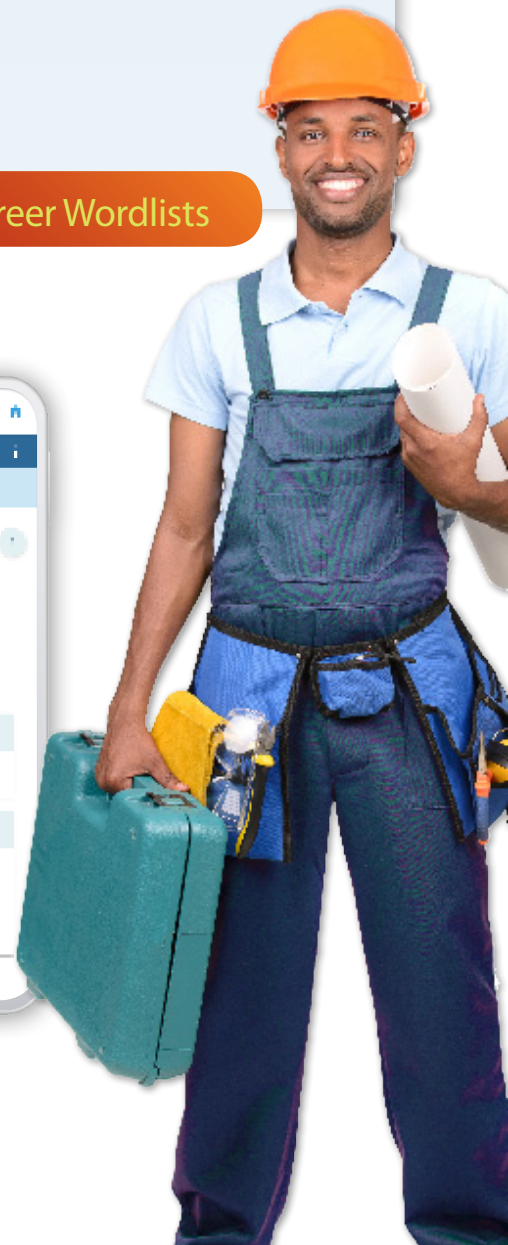

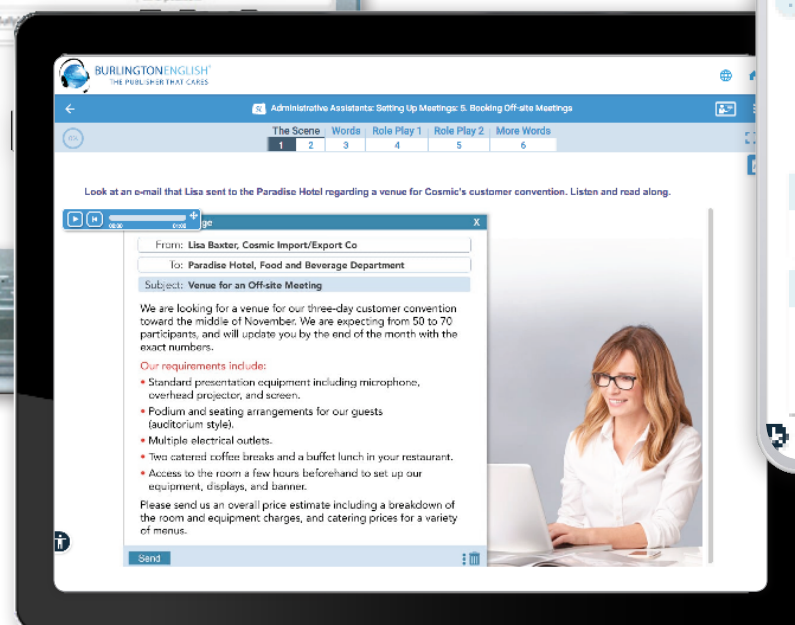

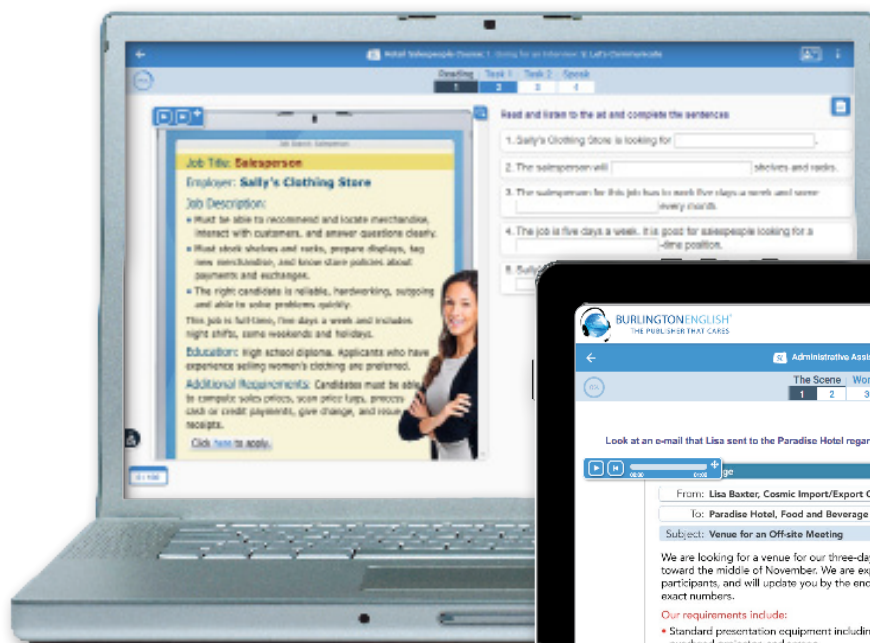

120+ Career Courses

Wordlists for Specific Careers

Ofrecen cientos de palabras y terminología específica para cada una de las profesiones. Las actividades que se autogeneran practican vocabulario especializado y pronunciación para ayudar a los alumnos a ganar la confianza que necesitan para mejorar en su camino hacia una salida profesional.
